Animal Eye Care in Coastal Virginia is looking for a full or part-time associate to join our Chesapeake office, located in one of the most beautiful and affordable areas in the country. We have it all – four seasons, beautiful beaches, some of the best state parks in the country and it's only a short drive to skiing and mountain sports. Are you a foodie? The area has fabulous restaurants and farmers markets offering local seafood, farm to table cuisine, and fantastic southern cooking. Hampton Roads has excellent public-school systems and exceptional cultural attractions. You can learn more about the area at www.visitchesapeake.com.

Having successfully trained ophthalmology residents and interns for over 20 years, our residency program has a perfect record for first time pass rate for the ABVO exam. ***We are a team of both new and experienced doctors, with a collaborative approach to medicine, dedicated to providing support and mentorship.*** With our large group of doctors, we are able to offer convenient appointments to our clients, ***while maintaining a healthy work-life balance for our doctors.*** Want to learn retinal surgery? We have one of the busiest tertiary retinal referral centers in the country!

A full-time associate position offers top compensation with excellent benefits, a great work environment, and ***100K signing bonus.*** Let's discuss how we can customize your contract to fit your specific needs and lifestyle.

Call or email me and we can start talking about how you can be a part of an awesome team of dedicated ophthalmologists and technicians who love practicing the highest quality veterinary ophthalmology. All inquiries will be kept confidential.
