

Veterinary Ophthalmologist Locum Cover

Vet Eye Care is looking for a board-eligible or boarded Ophthalmologist to provide locum cover for the following dates: 25th, 26th and 29th July.

Our clinic is built and equipped to the highest standards and consists of three consulting rooms, two operating theatres (Zeiss Lumera i and Leica operating microscopes), electroretinography, retinal camera, Siemens ultrasound, Phillips X-ray machine and a phacoemulsification unit. During the time of cover, you will be working with an experienced RVN and our ophthalmology intern to support you with our existing cases or new cases.

We are a family owned, independent Veterinary Ophthalmology clinic, located in Cambridgeshire (Yaxley). With excellent connection to central London, Cambridge, Nottingham and Leicester, the area provides many opportunities to explore.

For mor information or to express your interest, please contact Ioannis Tzouganakis (ioannis.vec@gmail.com).
