

Veterinary Ophthalmologist – Join Our Growing Team at Eye Right Referrals!

Do you want to be part of and grow the only independent ophthalmology referral service in the central belt of Scotland? Exciting news: Eye Right Referrals is looking for a second part/full time veterinary ophthalmologist to join our rapidly expanding ophthalmology service covering Fife, Dundee, Perthshire, Stirling, and Edinburgh. This is a truly unique opportunity to be part of a forward-thinking and & highly respected service.

Who We Are:

We are a peripatetic ophthalmology service, running weekly clinics in some of the biggest and best veterinary hospitals in Scotland. This ensures excellent patient continuity and allows us to work alongside specialists in neurology, orthopaedics, oncology and exotics. Our ethos is centred on providing a service that clients will love, fostering great relationships with our referring vets and delivering outstanding ophthalmic care. We are proud to work with a fully supportive team of nurses and GP vets at the clinics we collaborate with.

What We Offer:

- A chance to really make a difference and help to grow a fabulous service, which is only one year old and already a finalist of the Fife Young Business Awards.
- A supportive and friendly team who will truly make you feel valued!
- Cutting-edge ophthalmic equipment including multiple operating microscopes, Retevet portable ERG, Trisonic 3000 Phaco and Fox 810 Diode laser, with access to MRI and CT
- Competitive Salary, 5 weeks paid holiday, your Birthday off, and a generous CPD allowance.
- VDS cover and RCVS membership

Who You Are:

- A qualified ophthalmologist, either at Advanced Practitioner level, Residency-trained board-eligible, or a Diplomate
- Must fundamentally be a great person to work with, and not only be a fabulous ophthalmologist, but warm and approachable with clients.
- You can be full (4-5 days a week) or part-time (1-3 days per week) and must be happy to share a very casual weekend on-call rota.

If you're looking for a role which combines a great working environment, live close to some of the best nature has to offer, and be part of something new and exciting: Please check out our website and glowing Google Reviews and get in touch!
