

One Intern Position in Veterinary Ophthalmology, Anicura Visionvet Eye Clinic, Italy

The Italian Eye Clinic Visionvet (close to Bologna- Italy) offers a position for Internship in Veterinary Ophthalmology with Supervision of Dr Manuela Crasta (DVM, PhD, Dipl ECVO). The candidate ideally should demonstrate basic principles in ophthalmology. At the end of his internship program will be highly considered for the Residency program, of 3-years duration, which follows the guidelines of the European College of Veterinary Ophthalmology (ECVO) and provides the prerequisites for subsequent board certification. The internship will have a duration of 12 months.

Deadline for applications: July 30th 2025.

The application should include:

- CV
- Letter of intent,
- ID or passport copy,
- Certified copy of the Veterinary degree,
- Recent photograph
- Medium level of Italian or Spanish and English are required.
- 1 letter of recommendation that should be sent from the referees directly to

mcrasta@visionvet.it

[We advise to offer an externship prior deadline to the candidates to better know each other.](#)

Applications should be addressed to Dr Crasta, and also delivered to Anicura Visionvet
Via A. Marzocchi 6, San Giovanni in Persiceto Bologna -40017 Italy
