

Join our team

Veterinary Ophthalmologist (Board certified or eligible)

Short term contract/locum full or part time, from October 2022-April 2023

About Davies

We are one of the largest and most diverse animal referral hospitals in Europe. We are based in Hertfordshire, and our practice is home to over 200 dedicated, experienced, and passionate veterinary specialists, nurses and support teams. Our promise is to deliver outstanding care to all patients, whilst committing to being a gold standard sustainable place to work. We are a friendly, welcoming practice that leads the way in multi-specialist care. Set in a pleasant rural location, but just a 40-minute train ride to the cultural delights and nightlife of London, Davies offers a good work- life balance with plenty of time to enjoy the surroundings.

Your role and responsibilities

You will be working with one senior Diplomate and one Resident assisted intermittently by our other three board-eligible clinicians who are studying for their exams, dealing with a varied small animal-only medical and surgical caseload. We have a dedicated Ophthalmology theatre with OPMI Lumera microscope and AMO Whitestar phaco. More importantly we have fabulous colleagues including world-class Diplomate level anaesthesia, diagnostic imaging and Internal medicine teams. The successful applicant will be expected to take part in the out of hours rota with an on-call commitment of no greater than 1 in 4.

To apply email joinourteam@vetspecialists.co.uk.
