

Veterinary Ophthalmologist

ARH Homebush

An opportunity for a Veterinary Specialist in Ophthalmology to join a dedicated and friendly team at ARH Homebush in Sydney, Australia on a full-time basis!

- **Work with a large team of passionate and committed Specialists, Vets and Nurses to serve the increasing needs of the large pet-owning community of Homebush and surrounding suburbs**
- **Secure parking on-site with an adjacent childcare centre in the commercial lot**
- **Build your dream service, with all the tools you need for success**
- **A base salary of \$250k - \$320k + superannuation OR commission arrangement**

Our Difference

We are part of a long-established and leading group of Specialist and Emergency Veterinary Hospitals located throughout Australia. We provide the highest quality specialist medical, surgical, oncology, ophthalmology and diagnostic animal services including 24-hour emergency and critical care. We take pride in our dynamic environment and no day or night is ever the same.

Your New Role

An opportunity for a Veterinary Specialist in Ophthalmology to join our dedicated and friendly team at ARH Homebush. This is a unique opportunity to lead the ophthalmology service and build a successful team around you. This full-time role is part of our multi-disciplinary referral team which offers specialist services such as 24-hour emergency and critical care, internal medicine, diagnostic imaging, surgery, oncology and radiation oncology, cardiology, behaviour, and physiotherapy.

The hospital is well equipped with all necessary tools for veterinary ophthalmology which include:

- Slit Lamp
- Indirect Ophthalmoscope
- ERG Unit (Ultrasound)
- Topography
- Tonometer
- Dedicated operating theatre with Zeiss operating microscope.
- Phacoemulsification units
- Array of microsurgical instruments

About You

As a successful candidate, you will possess the following skills and attributes:

- A veterinary degree registerable in Australia with specialist qualifications (FANZCVS, or ACVO/ECVO Board-certified) is required
- We are also keen to hear from Veterinarians who have finished Resident programs
- A strong work ethic and enjoy working as part of a team
- Commitment to gold standard patient care and a “fear-free” approach to patient handling

- The confidence and initiative to work autonomously yet lean on your team as needed

What's Important to You

This position offers an opportunity to work with some of the best clinicians in their field, in a professional and challenging yet enjoyable workplace. In addition to this, we offer:

- A base salary of **\$250k - \$320k + superannuation OR commission arrangement** commensurate with experience, commensurate with experience
- **An opportunity for equity** – share in the growth and success of the business!
- **A 4-day work week** allows you to enjoy a fantastic work-life balance
- **Up to \$25k relocation allowance + Australian Visa support**
- Leave entitlements - **4 weeks annual leave, personal/sick leave and carers leave**
- Continuing Professional Education opportunities
- **6 weeks paid parental leave** and flexible return to work programs
- Free access to confidential Employee Assistance Program LifeWorks 24/7
- Access to the Greencross Ltd Symposium
- Petbarn / Greencross discounts

Join our ARVA Platinum Partner team that sees diversity and inclusion as more than just policies and practices. This is a growing business and for the right candidate ongoing opportunities will undoubtedly present themselves.
