

One Residency Position in Veterinary Ophthalmology, Anicura Visionvet Eye Clinic, Italy

Job Title: Veterinary Ophthalmology Resident

Location: Eye Clinic Visionvet, San Giovanni in Persiceto (Bologna)

Position Type: Full-time, Residency Program

About Us:

Visionvet Eye Clinic is a leading veterinary private practice dedicated to providing outstanding patient care, advancing veterinary science, and training the next generation of veterinary specialists. Our Ophthalmology Service offers comprehensive diagnostic, medical, and surgical eye care for small and large animals, equipped with state-of-the-art technology and supported by a multidisciplinary team.

Position Overview:

We are seeking a highly motivated and dedicated veterinarian to join our Ophthalmology Residency Program. The successful candidate will receive intensive training in all aspects of veterinary ophthalmology under the supervision of Manuela Crasta (DVM, PhD, Dipl ECVO). This position provides an exceptional opportunity to develop advanced clinical, surgical, and research skills in a stimulating academic and professional environment.

Responsibilities:

- Participate in the diagnosis and management of ophthalmic cases in companion and/or large animals
- Perform and assist in ophthalmic surgeries under supervision
- Participate in rounds, seminars, journal clubs, and research projects
- Prepare case reports and manuscripts for publication

Requirements:

- Doctor of Veterinary Medicine (DVM or equivalent) degree
- Completion of a rotating internship clinical experience
- Completion of an internship in ophthalmology
- Strong interest in ophthalmology and commitment to specialty training
- Excellent communication and teamwork skills
- Proficiency in English (spoken and written) and a beginner level of Italian is recommended.

We Offer:

- A comprehensive, structured residency program accredited by ECVO

- Mentorship and training from board-certified ophthalmologists
- Access to modern diagnostic and surgical equipment
- Support for research and conference participation

Application Process:

Applicants should submit the following documents:

- Curriculum Vitae (CV)
- Letter of intent/personal statement
- ID or passport copy
- Certified copy of the Veterinary degree,
- Recent photograph
- Two letters of recommendation

Please send your application to mcrasta@visionvet.it until 21/9/2026.

Applications should be addressed to Dr Crasta, and also delivered to Anicura Visionvet
