

SPECIALIST ANIMAL EYE CARE

Diplomate or board-eligible Veterinary Ophthalmologist Focus Referrals, Banbury

An exciting opportunity has arisen at our newly refurbished and rapidly expanding ophthalmology referral hospital in Banbury. We are looking for a diplomate or board eligible clinician to join our growing team, which currently consists of 3 vets, 6 nurses, 2 receptionists and a practice manager. The vets include one diplomate (Mike Rhodes), one ECVO resident and an RCVS advanced practitioner.

As a small, family run independent business, we pride ourselves on maintaining the highest possible clinical standards and in providing a personal service to referring vets and clients. We recognise the importance of well-being amongst our staff which is enhanced by a calm working environment and supportive team. We encourage a good work/life balance and champion environmental sustainability as a key element in our business development.

Our exceptional facilities include 4 well-equipped consultation rooms, including a feline only room, Oertli Faros phacoemulsification, corneal cross-linking, diode laser with micropulse capability, RETevet (LKG) ERG, 3 operating microscopes, GE ultrasound scanner, ventilators, extensive prep area, 2 purpose built spacious operating theatres and separate dog and cat wards.

Banbury is positioned centrally within the UK, in the county of Oxfordshire, surrounded by beautiful countryside and easy access to the Cotswolds, Oxford, London and Birmingham.

Enthusiasm, positivity, pride in excellent clinical care, initiative, the ability to work as part of a team and thoughtful, clear communication are the key skills for our next team member.

We are happy to discuss a generous package for the right candidate:

- Full (4-day week) or part-time hours considered
- Competitive salary, dependent on experience
- 6 weeks holiday plus birthday leave
- RCVS, VDS and relevant subscriptions
- CPD is encouraged and funded, dependent on individual goals
- Pension
- Private health insurance
- Participation in a quiet 1 in 4 rota – calls screened via answering service
- Out of hours surgery bonus
- Cycle to work scheme
- Employee assistance programme and mental health awareness training

For more information or to arrange an informal discussion please email Mike Rhodes (mike@focusreferrals.co.uk) or Alice Rhodes (alice@focusreferrals.co.uk).

Please send a CV and covering letter to apply. Website; www.focusreferrals.co.uk
