

OPHTHALMOLOGY INTERNSHIP APPLICATION

1.- OBJECTIVE:

To join the Ophthalmology Service of the Hospital Clínic Veterinari.

The Fundació Hospital Clínic Veterinari offers twelve-month, eminently practical training programs in some specialties that allow graduates who already have a solid foundation in general medicine to gain skills into a specific clinical area.

The selected person will collaborate in the daily activities of the Ophthalmology Service to acquire the necessary theoretical and practical knowledge for their future professional development in this specialty.

2.- REQUIREMENTS:

Training

- Degree in Veterinary Medicine (if the title is not Spanish, it will have to be approved).
- General internship will be valued.

Knowledge of languages:

- Catalan or Spanish: native or equivalent to level C1 of the MECR.
- English: level B2 of the MECR.

Others:

- Eligible for Barcelona's royal veterinary college

Personal skills:

- Easygoing and cordial person.
- Willing to learn and versatility.
- Dedicated teamworker.
- Ability to establish interpersonal relationships.
- Organizational and planning capacity.
- Empathy and devotio.

3.- SALARY AND JOB DESCRIPTION:

- 12-month internship employment contract.
- Dedication 32.5 hours per week. Morning or afternoon hours, including weekends depending on the service shifts.
- Salary: 15,384.92€ per year.
- Place of work: Campus of the UAB, Bellaterra, Cerdanyola del Vallès.
- Expected incorporation: September 1, 2023.

4.- REQUESTS:

Applications must be sent before 30th June 2023, attaching a Curriculum Vitae and a letter of intent in PDF format, to the address: seleccio@fundaciouab.cat
