

Position Title: Veterinarian – Ophthalmologist
Reports to: Medical Director
Department: Ophthalmology
Status: Full-time Permanent (40 hours per week)

Overview

We are seeking a motivated, team-oriented, and passionate **Ophthalmologist** (Board Certified or Residency Trained in Ophthalmology) to join our growing specialty and emergency team.

Since opening in Sherwood Park, Alberta, in March of 2020, we have continued to grow our specialty and emergency presence throughout Alberta while creating strong referring relationships throughout British Columbia, Saskatchewan, Manitoba, the Northwest Territories, and the Yukon. As we develop our relationship with the referring community, we have also built a fantastic team of specialists, including Critical Care, Surgery, Internal Medicine, Radiology, Neurology, Ophthalmology, Cardiology, and Dentistry/Oral Surgery. We also have a bright and excited group of Emergency Doctors and Technicians. We encourage an environment of learning and education and have a house officer training program which currently has 5 rotating interns and a cardiology resident.

Our goal is to promote a healthy working environment centered around exceptional patient care. Our facility provides 24-hour staffing, 1.5 T MRI, 64 slice helical CT, has a Servo U ventilator, vapotherm high flow oxygen, endoscopy, 2 ultrasounds and onsite Antech Diagnostics.

We are a privately owned hospital where you will be encouraged to continue to grow and shape the department as you wish the technicians are eager to grow their skills and are supported in the hospital to promote technician retention.
