

Vet Vision Sydney/Newcastle

RRTP ECVO Residency – Ophthalmology

Our private practice ECVO Ophthalmology residency offers an outstanding opportunity for a highly motivated individual to work and learn with a busy and friendly referral hospital team whilst maintaining an academic connection to the University of Sydney.

About us

At **Vet Vision** we are dedicated to providing compassionate, cutting-edge specialist ophthalmic care to a wide range of species within multi-disciplinary specialist hospitals.

We provide the highest standards of care to our patients in a supportive, collaborative environment. We are supported by a range of specialist services including internal medicine; surgery; oncology; diagnostic imaging; exotics and avian; and emergency and critical care. Our team works with the latest equipment and offers an advanced standard of care in ophthalmic case management and surgery.

About the position

During the program you will be exposed to structured learning opportunities, see a variety of cases and work closely with other specialities.

You will work under the guidance and mentorship of our 3 diplomat ophthalmologists (2 ECVO and 1 ACVO), as well as more broadly within a team of professional veterinarians and expert nursing staff.

About you

We are looking for a passionate and enthusiastic veterinarian with a dedication to learning more about Veterinary Ophthalmology. To be considered for this position we request the following:

- Minimum of 3 years experience
- Prior Ophthalmology or rotating internship mandatory
- Strong initiative
- Exceptional written and verbal communication skills
- Excellent work ethic and efficiency
- Eligible for registration with the Veterinary Practitioners Board of NSW (or equivalent)

What we offer

The team at Vet Vision pride ourselves on maintaining a strong and inclusive culture with an excellent work life balance and dedication towards wellbeing.

The residency presents a great opportunity for individuals wishing to begin their specialist training in veterinary ophthalmology.

We support you with;

- A above award salary package
- A supportive, friendly and enjoyable work environment
- Good work life balance
- CPD supported and allowance provided

Applications should be sent to Practice manager at info@vetvision.com.au and include a curriculum vitae and letter of intent, University transcripts and the name and contact details of three referees.
